RAPIDASH (8) produced an encouraging debut effort over 1100m last start to finish fourth against winners. He lost a length leaving the start but finished his race off nicely. He would have gained from the experience and with the natural improvement that is expected rates as the runner to beat. FUTURE FLO (2) was slightly disappointing over 1000m last time out. His penultimate run when finishing third over this distance was encouraging. If keeping on a straight line he should be one of the leading chances. BEDTIME STORY (3) ran a good race when finishing second over this course and distance last time. Genuine contender in this suitable contest. STRAWBERRY STINGER (11) showed very good improvement in his last start over this distance. He is a progressive type and may have more to come. Include in exotic bets.

KINGDOM OF GOLD (4) ran a good race on debut over 1160m to finish. She was slowly into stride but raced from just off the pace before getting outrun late. She would have come on from the run and if not too green around the turn should be winning. BITCOIN BABY (5) produced a good effort when finishing second over 1400m on this course last time. She moved up well that day but was outrun late. Should be right in the finish. KNOCKOUT (6) took time to find her feet on debut but the manner in which she finished off her race to finish fifth was encouraging. It must be noted that the horse that finished third that day has come out and won since. The race experience will be invaluable. Among the leading chances. WHEN EVENING COMES (11) as shown improvement in each of her outings to date. She was slowly into stride last time but stayed on well at the finish to run fifth. BEVIES DELIGHT (1) produced a good effort to finish third last start, the manner in which she stayed on at the finish was encouraging. She was unlucky not to have won her penultimate run over this course and distance as she had no luck in the straight. Apprentice Siphesihle Hlengwa takes 1.5kgs off her back and from pole position she can notch up her second career victory. WARSHIP (3) ran a better race last start to finish fourth over 1000m at this track. Won't be far away. SABATINI (9) was caught in the shadow of the post last time. She shows good speed in her races and may be hard to peg back. ANCIENT EPIC (4) fought hard in her last start over this course and distance but found one too good on the day. RAIN IN HOLLAND (1) was unlucky not to have won last time as she was cramped for galloping room over the final stages. She won her only attempt on this course and is a two-time winner over this distance. S'manga Khumalo steps back into the saddle and from pole position looks hard to beat. MARINA (8) was in need of her last run last start when resuming from a spell. She would have come on from the run and will strip much fitter. She won her only attempt over this course and distance with ease and if finding the form of that race should be figuring in the finish. SILVER DARLING (14) won this race last year. She was running on too late when finishing third over this distance last start when resuming from a spell. She would have come on from the run and with a bit of luck from her wide draw can defend her title. SAARTJIE (13) was unlucky last time out when finishing second. She will relish the extra distance on offer and with luck in the running can place.

MAQUETTE (2) ran a good race when finishing third against stronger company over 1000m last time. The manner in which she finished off her race that day suggests that she will enjoy the rise to 1200m. She takes a drop in class and from her good draw of two should prove hard to beat. DANCING DORA (1) showed good signs of a form return in her last start over 1000m when finishing second. It must be noted that the horse that finished fourth that day has come out and won since. Gavin Lerena retains the ride and the combination should be competitive. PALM BREEZE (10) set the pace over this distance on the polytrack last time but was outrun late. She has dropped to a competitive rating and with a bit of luck in the running can go one place better. Easily beaten at her last run before spelling and didn't fare any better when resuming over 1200m at Greyville All Weather a week-and-a-half ago, beaten 8 lengths into 11th. Not keen.

Ran a better race last start to finish second at Greyville All Weather over 1200m. Nicely placed and rates highly off that run. Top chance.

Stepping out at this circuit for the first time. Last appeared when she scored over 1200m at Turffontein Inside on May 4. Doesn't look good enough to threaten the top few.

Beaten 5 lengths when fifth at Greyville All Weather two runs ago then was comfortably held last time over 1400m at this track. Can't see her figuring in the finish.
