STRATA (8) has shown good improvement in her last two starts over this distance. She stayed on well at the finish over this course and distance last time but found one too good on the day. She is a progressive type and she can go one place better. HIGHLYCONFIDENTIAL (7) has produced two fair efforts to date. She returns from a 12-week spell during which time she would have strengthened up. Stable jockey Richard Fourie steps into the saddle and if not in need of the run she should be figuring in the finish. HANGING ROCK (5) is a two-year-old filly by Canford Cliffs out of Marion Belle on debut for the Brett Crawford stable. Expected to measure up. KYTHERA (3) wasn't that far away on debut last start over 1000m at this track when finishing third. Encouraging signs from that debut run and another big run is likely.

WHAT A STATE (3) has good consistent form lines to her credit. She was running on when third over 1100m on this course last time. Three of her four career victories have come over this distance. She is in a good space and is the runner to beat. MISS MARGUERITE (1) fought hard for her last victory over 1200m on this course. She has won once and finished third once from as many starts over this course and distance. She runs well for Ashton Arries and the pair merit healthy respect. PACIFIC GREEN (7) was well in commission last time out but ran below expectations when finishing fourth and beaten 4 lengths over 1100m at this track. Richard Fourie who has scored on her twice retains the mount. Has each-way claims. DISTINCTION (5) is back from a spell. PARATROOPER (4) was given a gun ride when winning on debut over 1100m last start. He raced from just off the pace, found a kick and fought hard all the way to the line. If suited to the extra 300m on offer today he can remain unbeaten. SPRING PALACE (2) won well last start in his first outing as a gelding and was then put out for a spell. He is a progressive type and with Richard Fourie in the saddle looks one of the main dangers. MONUMENTAL (10) won well when sent out as the favourite last start over this distance. HLUHLUWE (6) found extra where it matters most to win his maiden over 1200m last time. He should have no issues with the step up to 1400m and should be figuring in the finish.

ALLENDE (3) was unlucky not to have won her last start as she found traffic problems over the closing stages. The manner in which she finished off her race that day suggests that she will relish the rise to 1400m. She drops in class and can return to winning form. BUTTERFLY BEAUTY (7) showed some signs of a form return in her last start over 1200m. She finished third in her only attempt over this distance. She will strip a much fitter horse today and may be the one to cause the upset. QUEEN OF SPARTA (2) was out of the money two runs back then again missed the frame last start over 1200m at this track, beaten 1.3 lengths into fourth. The engagement of Aldo Domeyer is a positive move. Has the ability to take this race out. RED SASH (4) turned things around last start when scoring by a neck after being prominent at the turn. Finds an easier assignment and can repeat the dose.

CORONATION TIME (3) has put together back-to-back placings, the latest when 0.8 lengths away in second over 2000m at this track. He is likely to race on the speed and may be hard to peg back in the run down to the line. MISTER MONOCLE (6) won a game race in his last start over 2000m. The manner in which he quickened up and finished off his race was eye-catching. Richard Fourie steps back into the saddle and he is one of the leading chances. THUNDER MASTER (4) is better than his last start suggests as the jockey reported something to be amiss. His two starts prior to that outing were good. Aldo Domeyer retains the ride and on best form shown he should be involved in the fight to the finish. SILVER SKY (5) was out of the money two runs back when fresh-up from a spell then again missed the frame last start over 2000m at this track, beaten 4.5 lengths into sixth.
