HAWKBILL (12) finished a nose second as the hot favourite over 1200m at this track last start. He is a progressive type and will relish the step up to 1400m. Craig Zackey retains the ride and he should go one place better. HOTARUBI (13) ran a decent race to finish third against winners over 1450m last time. He raced from a handy position and stayed on well at the finish. Keagan de Melo takes the ride and should be figuring in the finish. GEORGE HANDEL(11) has produced two decent efforts to date, the latest effort a sound third over 1200m at this track. Has improvement to come and is among the leading hopes. PEMBROKE (1) resumed from a spell last start and stayed on well at the finish over 1200m but found one too good on the day. Strips fitter today and has place claims.

EMPRESS GAME (6) produced a promising debut effort when finishing second over this distance last start. She challenged strongly but found one too good on the day. She would have come on from the run and with the natural improvement that is expected should prove hard to beat. SOUTHERN STYLE (3) finished second two starts back at this track but couldn't back that up when finishing fourth over 1000m last time. Has each-way claims. JASIRI (8) is an unraced daughter of Canford Cliffs. Keagan de Melo takes the ride and if not too green she should start her career on a positive note. The betting market will be the best guide with regards to her chances. WILKIES (1) should have finished closer to the winner last time as she hung over the final 300m. VIRGINIA BEACH (4) is better than her last start run for fifth would suggest. She resumes from a spell during which time she would have strengthened up. The daughter of Silvano shows good speed in her races and if not in need of the run she may well prove hard to peg back in the run to the line. LAETITIA'S ANGEL (1) was doing her best work late when finishing fourth against male company over this distance last time. She won her only attempt over this course and distance. She is back against her own sex and merits healthy respect. CLEAN LIVING (7) placed third two starts back but then ran below her best last time out when finishing sixth over 1000m. Can atone. ON CUE (2) has shown signs of needing her last two starts after returning from a spell. She has won twice, finished second once and third once from five starts over this course and distance. She will be at peak fitness and can improve. Include in combinations.

CLEAVER GREENE (3) should have won his last start over 1160m at Turffontein as he hung over the closing stages. He is unbeaten from two starts on this course and has finished second in both attempts over this distance. Tries the blinkers for the first time and rates as the one to beat. SHELDON (6) resumes from a spell having finished second last start. He has won fresh-up previously and can easily return in winning form. GODSWOOD (1) was slightly disappointing in his last start at Turffontein over 1000m. He has won four times from seven starts on this course. 2.5kgs claiming apprentice Siyanda Sosibo retains the ride and with luck in the running he should figure in the top-three. CABINET SHUFFLE (7) should have won his last start as he hung over the final 400m. From a good draw can go one place better today. Include in exotic bets.

LULU'S BOY (6) is better than his last start run over this distance would suggest. He has won once and finished second once from four starts over this course and distance. S'manga Khumalo steps back into the saddle and in this type of field he can return to winning form. RAMCHANDANI ROAD (2) has been taking on slightly stronger rivals in recent outings. He has dropped in the ratings and takes a drop-in class. Capable enough on his day and is a key runner. PHINDA MZALA (7) ran a fair race over this distance to finish fifth last start over 1200m. Keagan de Melo steps back into the saddle and he looks well placed to return to form. GHOST SHIP (5) was handy on the turn and was an impressive maiden winner last time out when scoring over 1200m.
