QUEST FOR THE BEST (7) showed good speed when winning his last start over 1000m on this course. He has won four times and finished second twice from eight starts over this course and distance. Well placed to go back-to-back. KNIGHT WARRIOR (6) is better than his recent form would suggest. He continues to drop in the ratings and will be cherry-ripe. Has each-way claims. PURPLE POWAHOUSE (1) was running on well when finishing third over this distance last time. He has finished second once and third once from as many starts over this course and distance. Can make his presence felt. TRADE WAR (2) didn't make an impact at his last run before going out for a spell on April 16 finishing seventh and beaten 5.5 lengths over 1000m at this track. Has place claims.

ARVERNI PRINCESS (12) has produced two good runs to date. She should have finished closer to the winner last time as she shifted away from the whip over the closing stages. The manner in which she finishes off her races suggests that she will relish the rise to 1500m. With a bit of luck from her wide draw she should figure in the finish. MOUNTAINSOFTHEMOON (8) showed some good improvement in her last start over 1200m. She stayed on well at the finish that day but found one too good on the day. She is a progressive type and has top-three claims. PORTO ZANTE (4) finished among the placings last time when third at this track and should be further improved, each way chance. LADY CANTON (5) is yet to break through after six career starts but in the minors at this track two back before finishing fourth at this track last start. Expected to go close.

RAPIDASH (12) was given a gun ride when winning his maiden over 1200m last start. The manner in which he finished off his race that day suggests that he will be right at home over the extra 200m today. He is a progressive type and with some luck in the running can go back-to-back. TRUSOVA (3) won a game race at the second time of asking over 1400m on this course last start. He jumps from a good draw and rates as one of the leading chances. JOSEPHINE'S PRIDE (4) produced an encouraging debut effort over 1400m to finish second last start. He would have gained from the experience and with the natural improvement that is expected and should be fighting out the finish. BY THE RIVER (7) performed well last start when finishing third at Greyville over 1400m and peaks for this. Include in exotic bets.

JANE'S VISION (10) moved up like a winner over this course and distance last time but cost herself by hanging over the closing stages. She is a progressive type and if keeping on a straight line may prove to be hard to catch. SEA OF TEARS (5) is still a maiden after 17 starts but she has some good recent form lines to her credit. She finished second in her only attempt over this course and distance. Keagan de Melo takes the ride and he may be able to coax that little bit extra out of her when it matters most. FULL OF MAGIC (4) took on winners in her last start over 1200m on the polytrack. Her penultimate run when finishing second over this course and distance was encouraging. If finding the form of that outing she should be involved in the fight to the line. LADY GREENSLEEVES (3) produced some fair form before given a lengthy spell. PLAZA ACCORD (10) produced a promising debut effort over 1000m to finish second last start. He showed good pace, fought hard but greenness may have cost him the victory. He would have gained from the experience and with the natural improvement that is expected should prove hard to beat. BENNI IN THE AREA (11) showed some signs of needing his last start run after returning from a short nine-week spell. He has finished second twice from three starts over this course and distance. Has each-way claims. POTENT CAPTAIN (5) was in need of his debut effort over 1000m on this course. He would have gained from the experience and will relish the extra 200m on offer. Include in exotic bets. DYNALLEY (2) is an unraced son of Flower Alley from the Dean Kannemeyer stable with Keagan de Melo in the saddle. If not too green, he should give a good account of himself.

KUMEMORI (12) should have finished much closer to the winner in his last start over this distance. His debut effort when finishing second over 1000m on this course was encouraging. Looks well placed here to shed his maiden tag. GORGEOUS GUY (13) showed very good improvement in his last start over this course and stayed on well to finish second. S'manga Khumalo retains the ride and he is one of the leading chances. MASTER JOSH (10) resumed from a spell last start to finish second of 13 runners when sent out as the hot favourite over 1400m. The drop to 1200m is no concern as he has finished second once and third once from as many starts over this distance. He would have come on from the run and will strip much fitter. THISISWHATITMEANS (16) is better than his last start run looks on paper as he was reported to have choked up in the running. ALITTLEBITNAUGHTY (2) last three starts have been fair. She raced from a handy position over 1400m last time and stayed on well to finish fifth. The drop to 1200m is no concern as she has won over this distance in the past. She takes a drop-in class and on best form shown can return to winning ways. CINNAMON BLUSH (8) ran home strongly to finish second over this distance last time. She runs well for Athandiwe Mgudlwa and merits obvious inclusion. FLYING THE STAR (14) set the pace over this distance on the polytrack last time but found one too good on the day. She looks well placed to return to winning form. PALM BREEZE (5) is better than her last start run would suggest. She has won once and finished third once from three starts over this course and distance. CAPTAIN'S CHRISTY (7) ran a good race when finishing fourth last time. She raced from a handy position that day and stayed on well at the finish. She makes her Handicap debut but has plenty of scope and can return to winning ways. MIST IN SCOTLAND (5) won a good race in her last start over this distance when sent out as the favourite. She is back racing against her own sex and should be finishing in the money. BRIGHT STAR (9) got up late when winning her last start over 1100m by a nose when sent out at long odds. She takes a drop-in class and can notch up the hat-trick. STING RAY (4) ran a fair race in her last start over 1200m on this course to finish third. She won her only attempt over this course and distance. Looks close to a winning run.

POWER STAR (6) is still a maiden after 16 starts but his recent form has been solid. The manner in which he finishes off his races suggests that he will relish the rise to 1750m. Rachel Venniker remains in the saddle and he should gain a well overdue victory. ABERDEEN (2) is yet to break through after five career starts. Could only manage to finish fifth last time out over 1400m following a second placing at this track over 1400m. Can improve on that latest effort and rates as a key runner. JOHNNY THE THIEF (13) showed good improvement in his last start over 1600m on this course to finish second at long odds. He is a progressive type and with luck in the running should be figuring in the finish. CANFORD ICE (12) could only manage to finish fourth, beaten 7 lengths, at his latest appearance over 1200m at this track. Suited in this line up and is among the better hopes.
