WELCOME TO NELSON MANDELA BAY MAIDE...

FLAT **ALL WEATHER** Participants #8

ICE CAP (4) produced a promising local debut effort when second over this course and distance. She cost herself winning that day as she hung inwards in the final 200m. She would have come on from the run and if keeping on a straight line, she can go one better. FANTASY GIRL (8) has finished third in her last three starts. She should have finished closer to the winner last time as she was awkwardly placed at the 150m mark and she had to be eased at the 100m mark. With a bit of luck in the running, she should be involved in the fight to the finish. RAIN BIRD (1) moved up like a winner over 1400m on the turf last time before getting caught late. She has no issues with the drop to 1200m and merits healthy respect. ELUSIVE HUNTER (6) was beaten 3 lengths into fourth over 1200m at this track at her latest appearance. Well placed and can figure in the finish this time.

CORAL CREEK (1) has filled a minor placing at both runs to date, the latest when third over 1300m at this track. Has good early speed so should take up a forward position. Rates highly. GOLDEN GALLANT (3) was beaten just a neck last start when fresh-up from a spell and landed his first top-three finish in the process over today's course and distance. Should be figuring in the finish. LENNOXTOWN (2) missed the placings on debut two runs back then didn't feature last start when finishing eighth over 1200m at Fairview. RAFA BAY (9) showed good improvement in his last start here over this trip. He cost himself winning that day as he raced greenly over the final 250m. He is a progressive type and with luck from his awkward draw, he can go one better. FENCING CAPTAIN (6) finished one length behind the top pick in third last time. The pair meet on the same weight terms today and there won't be much separating them at the finish. MANEKI NEKO (1) was a beaten odds-on favourite in his last start over 1200m at Fairview. He has been costly to follow but from the pole position, he cannot be ignored. Follow your money. DIGBY (8) produced an encouraging debut effort over this distance at Kenilworth. WHITE SEAHORSE (9) ran a solid race for third in his last start over 1400m on this course. The manner in which he finished off his race that day suggests that he will love the rise to 1600m. He is a progressive type and with luck from his awkward draw, he will be hard to beat. JACK IN THE GREEN (1) should have finished closer to the winner last time as he took an awkward stride at the 250m mark. He finished second in his only attempt over this distance and from the pole position, he is one of the leading contenders. TWENTYTWENTYVISION (3) set the pace over 1400m last time and tried hard all the way to the line. He has form on this course and may be hard to peg back at the finish. WATER DRAGON (13) returns from a spell during which time he was gelded. He may be at his best over further but with luck in running, he can finish in the placings.

MY ONLY WEAKNESS (4) showed good improvement in her last start here over this trip when finishing third. She raced from a handy position and fought on bravely at the finish. She is a progressive type and with just 54.5kgs on her back, she may be the one to side with. **POCKET DIAL (10)** ran an improved race when third over 1400m last time. It must be noted that the horse that finished second that day has come out and won since. **JP van der Merwe** is likely to use her early gate speed to overcome the wide draw and she may be hard to peg back. **FAIRFIELD (6)** stuck on gamely when second over 1400m last time. It must be noted that the form of that race has since been franked. If getting away to a clean start, she should be involved in the fight to the finish. **STATE CAPITOL (7)** ran a good race when second here over this trip last time. She fought on at the finish but found one too good on the day. Another honest effort is likely.

Yet to run a place in seven runs this time in, the latest a 3.5 lengths seventh over 1000m at Kenilworth. Yet to place this preparation and would need to show sharp improvement.

Finds it hard to win. In the placings three times from 15 starts but has just the one win to his name. Last start finished 11th over 1200m at Kenilworth, beaten 12 lengths. Looks an each-way chance in this line-up.
