HOLLYWOODBETS DURBANVILLE WELCOMES ...

FLAT **TURF** Participants #11

STRATA (4) raced from just off the pace over this course and distance last start, he fought on strongly to the line but found one too good on the day. She has finished second once and third twice from as many starts over this course and distance. From her good draw of four, she should shed her maiden tag. GYPSY EXPRESS (1) produced a good third-place finish over this distance at Kenilworth before going out for a spell. Richard Fourie is in thje saddle and if not in need of this run she should prove hard to beat. LISTENTOTHEOCEAN (3) did not settle in her last start over 1400m on this course. She drops in distance and if suited can finish in the placings. TIBETAN VOYAGE (11) is a three-year-old filly by Potala Palace from Sails Set on debut today. Has the profile to be competitive.

LIGHTNING GLOW (5) produced an encouraging run last start when finishing fourth over 1250m on this course. He stayed on well at the finish and will like the rise to 1400m. Grant van Niekerk is in the saddle and he should prove hard to beat. PLUS FOUR (7) was disappointing in his last start over this course and distance when finishing eighth. His debut effort when finishing third over 1200m at Kenilworth was promising. He has each-way claims fresh-up. DAS GUTE (10) ran a fair race to finish sixth in his last start over 1600m on this course. He does have a wide draw to contend with but has Richard Fourie who will give him all the necessary assistance needed from the saddle. BLUE BAY (8) has not raced since his debut run when he finished 12th over 1250m at this track. Fesh-up can run a place

PRINCESS IZZY (9) cost herself finishing closer than third last time as she lost two lengths leaving the start. The manner in which she ran on at the finish that day was encouraging. Grant van Niekerk steps into the saddle and if jumping on level terms should prove hard to beat. NILE THE BOSS (10) showed good speed over 1250m last time but found one too good on the day. She is having her peak run today and should be cherry-ripe. She tries the 1400m for the first time and if seeing out the extra distance on offer may prove hard to peg back. DONNA MO (2) may not have seen out the mile in her last start. The manner in which she races suggests that she will like the rise to 1400m. From her good draw she should be involved in the fight to the finish. QUEEN OF THE PALACE (5) finished out of the money on debut two starts back and then came out to finish seventh over 1400m at this track. In a fitter state today can finish in the money.

LORD FYFIELD (2) was doing his best work late when finishing fifth over 1600m on this course last time. It must be noted that the horse that finished fourth that day has come out and won since. He will enjoy the return to 1800m and looks well placed to win here. SANTO DOMINGO (3) showed some improvement in his last start over 1250m. He takes a big rise in distance which may suit him well. Grant van Niekerk takes the ride and from a good draw he has each-way claims. WILLIAM THE RED (9) tries the 1800m for the first time and if putting his best foot forward can finish in the money. GLOBAL MOVEMENT (4) should have won his last start over this course and distance as the jockey dropped his reins at the 100m mark. He would have come on from the run and should strip much fitter. Grant van Niekerk retains the ride and the combination can go one place better. MARSHALL FIELD (9) has finished second twice from three starts over this distance. He is having his peak run and is one of the leading chances. AVIGNON (1) has finished second once and third twice from four starts on this course. FLAT **TURF** Participants #13

TIME FOR LOVE (6) has produced two encouraging efforts to date. The way she stayed on at the finish over 1400m to finish fourth last time was promising. She will like the rise to the mile and with luck in the running can shed her maiden tag. LICKETY SPLIT (5) challenged strongly in her last start over this course and distance but found one too good on the day. He is a progressive type and merits healthy respect. FLAMBOYANT FLYER (12) was running on too late when finishing second over 1800m on this course last time. It must be noted that the horse that finished third that day has come out and won since. She does have a wide draw to overcome but gets the services of Aldo Domeyer who will give her all the necessary assistance needed from the saddle. FATAL GEM (8) has been in the market at her recent starts but is yet to break through, last start running fifth at this track when fresh-up. Rates a strong each way chance

METAR (12) has won twice, finished second twice and third once from nine starts over this distance. With luck in running she can return to winning form. FALLO ANCORA (9) followed up her maiden win with a hard fought victory over 1800m on this course. She is in a good space and can notch up the hat-trick. RED PALACE (10) was an easy winner when shedding her maiden tag over this course and distance. She set the pace, found another kick and won with plenty left in the tank. She does take on stronger rivals but should be well up to the task at hand. DUAL AGENT (2) makes her resumes from a spell during which time she would have strengthened up. She jumps from a good draw and if suited to the course

MAGIC VERSE (7) has produced two good runs to date. He raced from a handy position over 1400m last time and stayed on well to finish third. He is a progressive type and should like the rise to the mile. In this line-up he should prove hard to beat. NAUSHON (2) stayed on well at the finish over this course and distance last time but found one too good on the day. He has finished second in all three attempts over this course and distance. Has solid each-way claims. RUN RUDOLPH RUN (5) has fair consistent form lines to his credit. He is having his peak run today and with Richard Fourie may be able to coax that little bit extra out of him when it matters most. SPELLING BEE(13) ran a fair race on debut over 1250m on this course. He would have come on from the run and should like the rise to the mile. With the natural improvement that is expected he can finish in the money.
