PURPLE POWAHOUSE (8) lost a length leaving the start last time but stayed on well to finish third of 12. If getting away to a clean start he should prove hard to beat. BIG SLICK (11) showed good improvement over this course and distance, finishing second of 12 last time. The obvious concern is the widest draw and with luck in the running he should finish in the top-three. PHAKA IMALI (4) was too far back when having to overcome a wide draw last time. It is encouraging that Richard Fourie steps back into the saddle and from his good draw of four he should be competitive. KNIGHT WARRIOR (10) made good progress last time out, finishing third over 1400m at this track. Finds a suitable race and can play a major role.

KITTEN'S ADVENTURE (4) was not disgraced when finishing fifth against stronger company over 1200m at Scottsville last time. She has won once and finished second once from four starts over this course and distance. She takes a drop-in class and from her good draw of four she can notch up her fourth-career victory. ALITTLEBITNAUGHTY (5) ran well last start when third at Scottsville over 1400m. Capable enough of taking this race out. QUANABI (9) won a good race in her last start over this distance at Scottsville. She has won once, finished second three times and third once from eight starts over this course and distance. She does have to overcome the widest draw but gets the services of Richard Fourie who will give her all the necessary assistance needed from the saddle. MISS LIALAH (6) did a great job to score over today's course and distance last start which was an improvement on the first-up performance. Looks well placed so expecting another big run.

POURSOMESUGARONME (4) won a good race in her last start over this course and distance. She lost a length leaving the start but quickened up well and won going away. If getting away to a clean start, she can follow up. KINGSMeads KRySTL (1) was running on well when finishing second of nine over this course and distance when resuming from a spell. She would have come on from the run and should strip much fitter. Richard Fourie is booked to ride and he may be able to coax that little bit extra out of her when it matters most. GLOBAL SECRET (2) was caught late when finishing second of nine over this distance on the turf last time. She has won twice, finished second once and third once from nine starts over this course and distance. She resumes from a spell and having won in that state previously should be figuring in the finish. DRIVE BY (10) bounced back to form with a third place run at this track after a less than encouraging eighth at Scottsville two back. Has place claims.
