OPERA FAN (1) ran a good race when second of nine over 1400m on the polytrack last time. She raced from a handy position but found one too good on the day. She should love the rise to 1600m and from pole position can go one better. GATHERING WINTER (4) finished fourth behind the top selection last time. She is having her peak run today and should be cherry-ripe. Is in the mix. OMNIA (5) showed good improvement when fourth of eight over 1400m on the polytrack last time. She would have come on from the run and will strip much fitter. Kabelo Matsunyane is booked to ride and she may have more to come. CASSANDRA (6) has produced two decent efforts to date. She should have finished closer to the winner last time as she hung inwards over the final 350m. She has scope and she should be finishing in the money.

BRUH (10) tried hard when second of eight over 1400m on the polytrack last time when well supported. He will love the rise to 1600m. He is likely to be settled near the rear of the field from his wide draw and will be storming home late. FRENCH WAR LORD (2) lost two lengths leaving the start last time and stayed on well to finish fifth. He will be right at home over the extra distance on offer. If jumping on terms, he should throw out a challenge to the top selection. MASTER SPY (4) stayed on well when third of eight over this distance at Turffontein last time. He is a progressive type and can feature. LUNAR DESCENT (9) has finished fourth in his last two starts. NEXT OF KIN (4) produced a promising debut effort over this course and distance last start. He moved up like a winner that day before getting outrun late. He would have gained from the experience and with the natural improvement that is expected, he can go one better. XENOPHON (10) made the expected natural improvement when a nose second of 10 over 1400m at Greyville last time as the hot favourite. He should have no issues with the drop back to 1200m and is one of the leading contenders. CARDINAL CHIEF (8) ran a decent race when third on debut over 1000m on this course. The manner in which he finished off his race that day suggests that he will love the rise to 1200m. He would have come on from the run and should make the natural improvement needed. WORLD OF ROYALTY (5) has finished third in both his efforts to date. He ran on well over 1100m last time and should love the rise to 1600m. He is a progressive type and he may find himself in the winner's enclosure. EL CAPITAN (1) cost himself winning last time as he hung outwards over the final 200m. He is having his peak run today and should be cherry-ripe. If Sean Veale is able to keep him on a straight line, he should go close. QUEEN OF THE AIR (9) tried hard when second over 1400m on the polytrack last time. She would have come on from the run and should strip much fitter. With a bit of luck from her awkward draw of nine, she should give the males a decent run for their money. LIMELIGHT LEGEND (8) has finished second in his last three starts. IDEAL GIFT (6) ran on well when second of 11 over 2000m on the polytrack last time. Ready to peak in her third run this prep. HODGEPODGE (3) resumes from a spell. Has finished second once and third once from as many starts on this course. If not in need of the run, she should pose a massive threat. ELEMREE (10) ran a good race when third over 1800m at the Vaal last time. She finished third in her only attempt over this course and distance. With a bit of luck in the running she should be finishing in the money. PRINCESS PALACE (5) stayed on well when third over 1400m on the polytrack last time. She should have no issues with the rise to 1750m and should be fighting out the finish.
