WELCOME TO NELSON MANDELA BAY FM 68...

FLAT ALL WEATHER Participants #6

ONO NO KOMACHI (3) stayed on nicely at the finish when second of nine over this course and distance last time. She takes a drop in class and S'manga Khumalo retains the ride. She should get a good run in the running and is the horse to beat. DARLING HARBOUR (5) is better than her last start run for seventh in the same race as the top selection. Her form prior to that outing was consistent, having placed in three of four starts. She may get her own way in front in this line-up and may be hard to peg back. HAT MONTERA (4) followed up her maiden win with a good second-place finish over 1600m on this course last start. She was unlucky not to have won as she was tightened for racing room at the 400m mark. She is in a good space and should be competitive. TAKE YOUR TIME (6) finished a close-up fourth over 2000m at this track last start. The saddle was reported to have slipped in the running. Craig Zackey is in the saddle and she should be finishing in the top-three.

DESERT CLOUD (1) came home strongly to finish second of nine over this course and distance last start. She may have cost herself winning as she hung over the closing stages. Luyolo Mxothwa is in the saddle and she should go one better. GOLDEN ALEXIA (2) is having her first run for the Kelly Mitchley stable. It must be noted that the horse that finished third in her last outing has come out and won since. She finished second in her only previous start over this distance and she should go close. BUDDLEJA (5) finished third last start in the same race as the top selection. Her penultimate run when second over 1000m on this course was encouraging. Having her fourth run this prep and looks close to a winning run. NIGHT IN JAPAN (3) has placed in both runs this prep. The horse that finished second in her last outing has come out and won since. She is having her peak run today and with a bit of luck in the running after jumping from a wide draw should be fighting out the finish.

PRISCILLA MAISEY (3) ran on well when winning her last start over 1100m on this course. It must be noted that the horse that finished fourth that day has come out and won since. She is having her peak run today and will be cherry-ripe. Craig Zackey is likely to use her early gate speed to overcome the widest draw and she may be hard to peg back. CONCERTO (8) ran a good race when finishing third of 11 over 1600m on this course last time out. She gets the blinkers fitted which should keep her mind on the task at hand. FAIRY KNIGHT (1) is much better than his last start run would suggest as the jockey reported something to be amiss in running. He returns from a spell which would have done him the world of good. He is unbeaten from three starts over this course and distance. If not in need of the run he should find himself in the winner's enclosure. MERCANTOUR (2) is the stable-mate of the top selection. He is racing well this prep and following a last start third of 10 over 1400n at this track when well supported is expected to be figuring in the finish once again. CHAMPONELLE (6) is the winner of his last three starts, including last start over 1400m at this track when resuming from a spell. Jumps from an inside draw and is a main danger. GOLDEN PAVILION (7) has won his last two starts, the latest by a nose over 1000m on this course when resuming from a spell. Racing over a longer trip here and jumping from an inside draw has solid each-way claims.

FLAT **ALL WEATHER** Participants #9

CRUZADOR (5) has finished fourth in his last three starts. He was his own worst enemy over 1400m last time as he over raced in the early stages. He has won once, finished second once and third twice from nine starts over this course and distance. He has dropped to a competitive rating and on best form he can take this race out. WORDSWORTH (3) is better than his last start run would suggest as he was reported to be fatigued and tying up. Four of his five career victories have come over this distance. With a win and two second placings from his last five runs can return to top-three form. WINTER WARFARE (2) would have come on from his last start resuming run when finishing fourth. He has finished second twice and third once from as many starts over this trip. He gets the tongue-tie fitted for the first time which may do the trick. ROYAL KINGDOM (1) won well as the favourite over 1200m on this course last time in what was his only run last prep. Fresh-up should be hard to beat.
