WELCOME TO NELSON MANDELA BAY MAIDE...

FLAT **TURF** Participants #10

KING PRAWN (4) hails from the Alan Greeff stable and he is a son of Master Of My Fate. He is related to multiple winners. Richard Fourie is booked to ride and if not too green, he should start his career on a positive note. WINTER WARFARE (9) was in need of his debut effort when finishing fifth here over this trip. He would have gained from the experience and should make the natural improvement. ABOVE THE HORIZON (1) finished fourth and not far behind the second choice on debut. He has top 3 claims this time. GALILEO STAR (3) found betting support on debut. He was in need of that outing and would have gained from the experience. Stable Jockey Craig Zackey steps into the saddle and the pair merit healthy respect.

CLIFF TOP (2) is better than his last start suggests. He has won three times, finished second twice, and third twice from nine starts over this distance. With racing fitness on his side, he may be the one to beat. KINGDUNDEE (1) returns from a decent spell during which time he would have strengthened up. He is better than his last start in the Listed Champion Juvenile Cup. He has plenty of scope and if not in need of the run, he should give the top choice a run for the money. THE WINTER LAKE (3) finished seventh and only 1.5 lengths behind the top selection last time. He strips fitter and is worth including in all combinations. WHERE'S THE PARTY (6) was her own worst enemy in god field last time out. She will love the drop in distance and there should be good improvement to come. Stick with her.

FLASH LIGHTNING (2) was given a peach of a ride when winning his last start over 1600m on this course. He won his only attempt here over this distance and he meets a similar field this afternoon. Watch for him late and he can have the last say again. GUNSMOKE (3) is better than his last start as he was reported to be coughing. He has won twice and finished second once from seven starts here over this trip. If putting his best foot forward, he should pose a massive threat. LAZY GUY (8) raced from a handy position in his local debut over 1200m but found one too good on the day. He would have come on from the run and if suited to this course, he can figure in the finish again. AXEL COLLINS (12) fought on over 1000m on the turf here last time. IGNITETHELIGHT (2) ran a good race when second in Stakes company last time. It must be noted that the form of that race has since been franked. She strips fitter and if taking to the turf course, she should take a power of beating. VOLARE E MAMBO (7) was doing her best work late when third over 1600m last time. She is likely to be settled near the rear of the field from the widest draw and will be mowing down the frontrunners once again. Watch for her late. Can win. SUN SPECTACULAR (11) finished sixth in the same race behind the second selection last time. She is 0.5kgs better off at the weights today and should finish closer as a result. Each way value TREASURE HUNT (3) fought on when finishing third last time out. Four of her five career victories have come over this distance and with a bit of luck from her awkward draw, she would not be a shock winner.

SON OF ZEUS (6) ran a good race when third over 1400m on this course last time. It must be noted that the horse that finished second that day has come out and won since. MR HOTSTEPPER (4) ran a good race when second of 12 over this distance at Scottsville last time. He set the pace and stayed on well at the finish. He won his only attempt over this course and distance. Gavin Lerena is booked to ride and he should be the one to beat. SOVEREIGN GRANT (5) has fair recent form lines to her name. She has won once, finished second once, and third once from five starts over this distance. She is the best-weighted runner in this contest and is one of the leading contenders. LE PREMIERE (6) is better than her recent form suggests. She has won three times and finished second twice from as many starts on this course. Well worth an each-way ticket. LITTLEBLACKVELVET (3) returns from a spell that would have done her the world of good. She has won three times and finished second once from seven starts over this course and distance. If not in need of this run, she should give a good account of herself.

NUMZAAN (6) ran a creditable race fresh-up when third in his stable debut over this course and distance. He would have come on from the run and should strip much fitter. Gavin Lerena is booked to ride and he can return to winning form. MAC HARDY (3) stayed on well when second of 12 over this course and distance last time. He jumps from a good draw of three and is one of the leading contenders. RUN TO RIO (11) ran a fair race when second of seven at long odds over this distance at Scottsville last time. He has won once and finished second once from four starts over this course and distance. With a bit of luck from the widest draw, he should be finishing in the money. INDECENT PROPOSAL (7) finished midfield last start at Kenilworth. Racing over a loner trip today and is an each-way chance.

KING BAVARIAN (4) has decent consistent form lines to his credit. He has won once, finished second once and third once from six starts over this distance. He jumps from a good draw of four and may be the one to side with in this field. WAVE WARRIOR (7) is the stablemate of the top selection. He ran a good race when second over 1600m on this course last time. Resumes from a spell which may have done him the world of good. Gavin Lerena is booked to ride and he should be competitive. ENGLISH PRIMROSE (3) is better than her last start run on the turf would suggest. She is a much better horse on the polytrack and she should give the males a run for their money. COUNT MARSH (8) is better than his last start over 1400m on the turf when resuming from a spell would suggest. He will strip much fitter and can find a form return.

TERMINATOR (6) ran a good race when third of seven as the favourite over 1400m at Scottsville last time. He should have finished closer to the winner that day as he hung over the final 300m. He tries the polytrack for the first time and if suited to the surface, he may find himself in the winner's enclosure. WINTER WAVES (12) was running on well when third over 1400m at Scottsville last time. He is likely to be settled near the rear of the field from the widest draw and will be mowing down the frontrunners.
