LA PULGA (3) made the expected natural improvement when second last start over 1200m. He showed good speed that day before getting run down late. He is a progressive type and in this field, he should go one better. **TERMINATOR (9)** ran a good race when second here over this trip last time. He is having his peak run today and will be cherry-ripe. Hard to beat. **MIND MAP (4)** ran a fair race over 1250m at Durbanville last start. He tries the 1400m and if he sees out the extra distance on offer, he can have a say in the finish. **COSMIC RHYTHM (10)** is better than his last start over 1100m. If finding the form of his penultimate run, he should be thereabouts. Each way.

PRINCESS IZZY (3) has very good consistent form lines to her credit. She finished a solid runner-up last time and jumps from a good draw of three. She will be doing her best work at the finish and can have the last say. **ENEMY TERRITORY (6)** set the pace here over this trip last start and found extra where it matters most. She is only up slightly in weight and is good enough to take them all of the way again. **FUN ZONE (4)** has been racing well recently. She lost a length leaving the start last time and fought on at the finish to finish third. If jumping on terms, she should be involved at the finish. **MONASHADA (7)** battled on strongly when third here over this distance last time out. FUTURE VARIETY (8) rallied late when second over 1200m in Grade 2 company last time out. He likes it here and will be ready to run a big race fresh up. SILVER FALCON (5) showed some signs of a form return in his last start over 1600m. He won his only attempt here over this distance and is ideally suited to the wet going. He must be included in all bets. PORT LOUIS (2) is better than his last start over 1400m suggests. He returns from an 11-week break which would have done him the world of good. If fit, he should feature at some each-way value. RIVERSTONE (1) followed up his maiden win with an equally impressive victory over 1200m. He should have won easier that day as he hung outwards in the closing stages. He does take a rise in class but he carries a nice weight of 52 kilos and can notch up the hat-trick.

TRES CHIC (9) showed some signs of returning to form last start when finishing fourth. Luyolo Mxothwa is booked to ride and he may be able to coax that little bit extra out of her where it matters most. ROYAL LYTHAM (7) was a game winner in her last start here over this trip. SOOTY (2) ran a good race when third here over this trip last time out. He was unlucky not to have won that day as he was held up for a run at a vital stage. He likes it here and should be hard to beat. GREAT CAT (5) ran on powerfully when winning her last start here over this distance. She returns from a 14-week break which may have done her the world of good. If not in need of the run, she should be right in the finish again. SHIFTING PATH (9) was a strong last-start winner over 1100m on this course. He is up in class, but is in a good space and should be up to the task at hand. Watch for him late. LUNCH MONEY (12) showed signs of needing his last start here over this distance. He would have come on from the run and should strip much fitter. Each way value.

RADICCHIO (2) finished a solid fourth last start and has had a freshen-up since then which would have done him no harm. Stick with him, especially if the money is there. KEY WORKER (4) was running on when second over 1400m on this course last time. It must be noted that the horse that finished third that day has come out and won since. She will love the rise to 1800m and in this field, she should go one better. FLYING HAFLA (7) ran a fair race on debut when finishing fourth here over 1450m on the Inside course. She would have come on from the run and will enjoy the extra distance on offer. With the natural improvement that is expected, she could be the one to fill the exacta spot behind the top pick. ENCHANTED ROYAL (2) showed improvement in her last start over 2000m at the Vaal. Apprentice Nirvan Nastili retains the ride and if confirming her recent improvement, she should figure in the finish again. FIFTH OF JULY (7) was touched off in his penultimate start over 1600m on the Inside course here and was then close up in fourth place last time out. Stick with him. Each way. SAKHALA IS'CATHULO (2) showed good improvement in his last start here over this distance. He showed good speed that day before getting caught late. It is encouraging that Piere Strydom is booked to ride and the combination may be hard to peg back. On top. GOLDEN CHANDELIER (4) is better than her last start over 1100m on this course. She won her only attempt here over this distance and is worth another chance. Each way. IN THE ETHER (6) has finished fourth in her last three starts. Three of her five career victories have come over this distance. The 6-year-old mare will be mowing down the frontrunners at the finish and could even have the last say. JOHN WICK (1) is better than his last two starts suggest. He has dropped in the ratings and with S'manga Khumalo back in the saddle, he may be the one to cause the upset. Don't drop him yet. Each way value.

RATTLE BAG (1) has fair recent form lines to her credit. She fought on bravely when sixth against stronger company over 1000m on this course last time out. She takes a drop in class and should strip fitter. If putting her best foot forward, she should be hard to hold out. WAITFORGREENLIGHT (5) has been thereabouts over 1000m since winning her maiden and is normally running on strongly. The extra journey will suit her and she won't be far away. Watch for her late. PHANTOM EXPRESS (4) finished 1 length behind the second pick last start in fifth place. She has the pole position this time and can bounce back into the money here. WHERE'S THE PARTY (2) has consistent form lines to her name. It must be noted that multiple horses from her last run have come out and won since. She won her only attempt here over this trip and merits healthy respect.
