DANCINGTOTHELIGHT (6) should have finished closer to the winner last time as he had to be steadied with 100m to run. His penultimate run when third over this course and distance was encouraging. He is having his peak run today and should be chery-ripe. With luck in the running should prove hard to beat. **TAMBOURINE MAN** (16) has good recent form lines to his credit. He has finished second once and third twice from five starts over this course and distance. Has solid each-way claims. **WINNING CAPTAIN** (1) stayed on when finishing fourth of 13 over 1000m on this course last time. **Craig Bantam** retains the ride and jumping from the inside draw can figure in the top-three. **CONGRESSMAN** (7) stepped out on his debut over 1200m at this track last start and finished fourth. Likely improver who in a fitter state has to be considered.

RAINBOW LORIKEET (9) went a solid race to finish a neck third of 10 at this track over 1600m. He is racing in good form this prep having recorded a win and two minor placings from four starts. Looks well placed to return to winning form. **CALLMEGETRIX** (11) fought on well to the line to score by a head last start over this course and distance. She is likely to be settled near the rear of the field after jumping from her wide draw and should be storming home late. **ENCHANTING CHOICE** (8) finished a close-up fourth of 13 at this track over 1800m last time out when well supported. Leading prospect and can atone. **PRINCESS IZZY** (5) is going well, scoring two runs back at Durbanville before finishing fourth last time over 1600m at this track. MR BELVEDERE (9) challenged strongly in his last start over this course and distance but found one too good on the day. He is a progressive type and with luck in the running, he should be the one to beat. SONG TO THE MOON (8) was slightly disappointing in his last start. His penultimate run when second of 10 over 1200m was encouraging. Has Grant van Niekerk in the saddle and he should have improvement to come. GREENLAND (13) was caught late when finishing second of 13 over 1800m last time out. He will like the drop back to the mile and has genuine claims. FOUDE (2) has been costly to follow in his last three starts. The son of Fire Away should be at home over the mile and from his good draw of two, he should have a say in the outcome of this event.

INCREDIBILL (11) moved up like a winner in his last start over 1600m, but was outrun late, finishing second of 11. It must be noted that the horse that finished third that day has come out and won since. With luck in the running he should prove hard to to beat. BIG UNIT (1) stayed on well when finishing fifth of 13 over 1600m last time when sent out at long odds. He should be ideally suited to 1400m and has solid each-way claims. OLIVER (6) is better than his last start run would suggest. He has won once, finished second twice and third twice from six starts over this distance. On his previous form, he should be figuring in the finish. TRIPPI'S SILK (5) won well over 1200m at this track last time, gwhen well fancied. Shaping up nicely and he is a great chance to go back-to-back.

BEYONDTHEBOUNDARY (7) has finished second in his last three starts and deserves a winning turn. He took the lead with 200m to run last time, but was outrun late. He has won three times and finished second three times from eight starts over this distance. Raymond Danielson is booked to ride and he may be able to coax that little bit extra out of him when it matters most. FUTURE PRINCE (6) ran a good race when finishing second of 10 in his last start over 1600m on this course when resuming from a spell. In affter state today has winning claims. RULE OF THUMB (5) produced very good form lines before given a spell which would have done him the world of good. If not in need of the run, he should be fighting out the finish. CARRIACOU (4) ran a better race last start when finishing a close-up third over 1600m at this track after missing the placings in his previous start. He looks well placed and jumping from a good draw there is no reason why he can't find winning form.

MR FROSTIE (6) showed good speed over this course and distance last time and fought hard to the line to keep all challengers at bay. He has won twice, finished second twice and third four times from 15 starts over this course and distance. He should be hard to peg back and looks well placed to go back-to-back. SEEKING PEACE (4) has inconsistent form lines to her name, but her last run over 1000m when finishing fifth of eight at this track was fair. If putting her best foot forward, she is capable of giving the males a decent run for their money. SHIFTING PATH (5) was out of the money two runs back then again missed the frame last start out over 1200m at this track, finishing fourth of 12. YAMADORI (9) was his own worst enemy over 1400m last time as he over raced in the early and middle stages of the race. His form prior to that outing was consistent. He has won once and finished second once from as many starts over this course and distance. He should go close to notching up his third-career victory. **FUTURE VARIETY (5)** has good recent form lines to his name. He was running on well when finishing second of 16 over 1200m last time. He has finished second once and third twice from as many starts over this distance. He is in a good space and merits healthy respect. **ALL ABOUT AL (4)** won a good race in his last start over 1100m on this course. He takes a rise in class but he is in a good space and should give another good account of himself. **AXL (1)** scored last start at this track to make it two wins from two starts this prep.
