**PANTHERA UNCIA (9)** showed good improvement in her last start over this distance at Scottsville. She should have finished closer that day as her pilot dropped his crop at the 200m mark. She is a progressive type and with luck in running, she can go one better. **LIZWILE ILALI (10)** was a tad disappointing in her last start over this distance at Scottsville. She returns from a 10-week break which may have done her the world of good. She has scope and can have a say in the finish here. **SHEEZAROCKET (3)** ran a fair race on debut here over this trip. She lost two lengths leaving the start and was also held up in the run home. It must be noted that the horse that finished second that day has come out and won since. She would have come on from the run and can take this out. **MAGIC MAVERICK (11)** is having her first run for the Gary Rich stable. She has shown improvement in her last two starts with the blinkers fitted and is ready to break through at short notice.

**INDUSTRIALSTRENGTH (8)** produced a promising debut effort over 1200m on this course. He lost a length leaving the start and finished off his race strongly. He returns from a 13-week break, during which time he would have strengthened up. He will love the rise to the mile and with Keagan de Melo in the saddle, he should take a power of beating. **VIEW OF THE WORLD (7)** has fair form lines to his credit. He is having his peak run today and should be cherry-ripe. 4kgs claiming apprentice Brevan Plaatjies retains the ride and he won't be far away. **NATIONAL AWARD (4)** was in need of his debut effort over 1200m at Scottsville. He will also love the rise to the mile. With the natural improvement that is expected, he should have a say in the outcome of this contest. **EL CAPITAN (1)** returns from a 16-week break. CARE FORGOT (3) followed up her maiden victory with a fair fifth-place finish in Stakes grade last start. It must be noted that multiple horses from that form line have come out and won since. She will love the rise to the mile and from her good draw of three, she may be the one to beat. STATE SECRET (4) was an easy winner of her last start over 1400m at Scottsville. She is up in class, but she has plenty of scope and should be up to the task at hand. SPRING KISS (7) stuck on gamely when fourth over this distance on the poly track here last time. She would have come on from the outing and will strip much fitter. She drops back in class and can have the last say. GREEN VALKYRIE (2) has run three good races for the Kom Naidoo stable. EL DANTE (3) produced an encouraging fresh-up run when fourth over 1500m at Scottsville last time. He raced from a handy position and fought on well at the finish. He has won once and finished second once from as many starts here over this trip. The 7-year-old gelding would have come on from the run and may be hard to peg back here. SELUKWE (10) finished a solid third last time out. He made up a lot of ground last start and with 2-kilos less to carry, he can have the last say. LUCKY DOLLAR (6) finished fourth in the same race as the second pick and could have finished closer but the jockey that day said he lost his galloping action late in the run home. He won't mind the drop back to a mile and can bounce straight back into the money here. NOCTURNAL FLIGHT (2) followed up his maiden victory with a good second-place finish over 1750m at Scottsville against many of his rivals that he is facing here. He is a gutsy performer who has winning claims again from a good draw..

PETIT VERDOT (1) ran a fair race when fifth over 1900m against a handy field. It must be noted that the form of that race has been franked. She will love the extra 100m on offer here and with a drop in the ratings, she can take this out at a decent price. ESCAPOLOGIST (5) moved up well when second in her last start over 1950m at Scottsville. She has won on this course previously and is good enough to go one better here. ESCAPE ARTIST (8) finished runner-up by half a length last time out. Keagan de Melo is likely to use her early gate speed to overcome the wide draw and she may be hard to peg back. HOT STRIKE (7) finished fifth in the same race as the third pick last start and doesn't mind some cut in the ground. She was a narrow winner before that and is worth including in all combinations again. WOODLAND GLADE (6) was a winner at Greyville on the poly track last start as the favourite and has been in good form with two wins and two places from six races this preparation. Go again.

SPELLING BEE (8) won a good race in his last start over 1600m on this course. The drop to 1400m is no concern as he won his only attempt here over this trip. Keagan de Melo is booked to ride and he should give him all the necessary assistance from the saddle. Hard to beat fresh-up. THE SHEPHERD (11) is better than his last start. It must be noted that the horse that finished third that day has come out and won since. He is unbeaten from two starts over this distance and with luck from the widest draw, he can keep that record intact. WILLIAM RUFUS (1) ran a fair race over 1200m on the poly track here last time. It must be noted that the form of that race has been franked. Three of his four career victories have come over this distance and the 5-year-old gelding merits healthy respect. COMMAND PILOT (5) ran on powerfully when winning his last start over 1600m on the Turffontein Inside course. His confidence has returned and he is good enough to win again.

GORGEOUS GUY (11) finished a brave third last time. He is 3.5kgs better off at the weights today and that should be enough for the tables to be turned. He has won in the wet and has the speed to overcome the wide draw. He drops in weight and may be hard to peg back. RAFA'S BOY (7) ran a good race when second over this distance at Scottsville last time. It must be noted that the form of that race has been franked. He won his only attempt here over this trip and is one of the leading contenders. ROSH KEDESH (12) has been racing well lately. He is likely to be settled near the rear of the field from his wide draw and will be mowing down the frontrunners. Keagan de Melo may be able to get the best out of him where it matters most. WARRIOR OF ROYALTY (4) ran a fair race fresh up for fourth over 1000m on the poly track here. It must be noted that the form of that race has been franked. LUCRATIVE (4) caught the eye when winning on debut over this distance at Scottsville. Craig Zackey had her settled at the rear of the field and the manner in which she finished off her race was impressive. She is up in class and has the scope to win again. GREY FANTASY (11) ran a fair race when third in Grade 3 company last time out. She returns from a 14-week break during which time she would have strengthened up. She is the stable elect with Tristan Godden in the saddle and is one of the leading contenders. RUGGER LOVER (9) has good consistent form lines to her credit. If keeping on a straight line, she should be involved in the fight to the finish. EMERALD GREEN (8) was unlucky not to have won her last start at Scottsville. Chase Maujean retains the ride and if all goes according to plan, she should have a say in the outcome of this contest. Each way value.
