UN BEL DI (4) is having his fourth run today following a last start third of 16 at this track in a Listed event over 1100m. He will appreciate the extra 100m on offer and racing back in maiden company along with a good draw should be taking this race out. TALK TO THE MASTER (13) has had just the two starts and finished second in both runs, with the latest recorded over 1200m at this track when well supported in a field of 20 runners. With luck in the running after jumping from his wide draw should prove the main danger to the top selection. ZANTHAR (2) raced green when on debut last start over 1100m at this track but stayed on well in the run to the line to finish second of nine. He would have gained from the experience and should like the extra 100m on offer. With the natural improvement that is expected along with Richard Fourie back in the saddle should be finishing in the money. WORLDLY (8) ran fourth on debut last start in the same race as the above selection. Has place claims.

FATAL GEM (5) did well to finish fourth of 12 at this track in a Group 3 event last start in what was a tougher line-up than what she meets today. She is racing well this prep and has won two of her last four starts. Looks well placed to return to winning form. EPIKLEROS (7) won by a neck here last start over today's distance to add to her good career record and has now won twice and placed four times from eight starts. Races well over today's distance and has solid each-way claims. RAINBOW LORIKEET (2) won well last start over 1600m on this course which followed a game neck third of 10 over 1600m. She jumps from a good draw of two and it would come as no surprise to see her going back-to-back. SUMMER LILY (1) scored by a neck last time out over 1400m at this track when well supported. She has won twice from four starts at this track and jumping from the inside gate should receive a soft trip in the running and finish in the top-three.

ROMAN AGENT (10) showed good speed to race up on the pace when winning by a neck over 1100m at this track last start when well supported, which followed a win over 1000m here when sent out as the favourite. He should like the extra 100m on offer and looks well placed to complete a hat-trick. WINDS OF CHANGE (9) was on debut last start and defied his long odds to finish a long-neck second to the top selection after racing green. He would have benefited from the experience and with the natural improvement that is expected can go one place better. SYMPHONY IN WHITE (2) won well over 1200m at this track last start when on debut. She was well supported in that victory and jumping from a good draw of two should be fighting out the finish. ONE STRIPE (6) in just his second start won by six lengths over 1200m at this track last start when sent out as the odds-on favourite. Racing in a fitter state he is well worth considering.

POMODORO'S JET (3) cost himself winning last time as he hung over the final stages, finishing fourth of 14 but was only a neck back from the winner. MAGIC VERSE (1) is better than his last start run for fifth of 10 at this track over 1800m looks on paper after having won his two previous starts. ROYAL AUSSIE (7) is much better than his last start run when finishing eighth of nine would suggest. He over raced in the early running, raced wide around the turn and then faded out in the run home. He has won once and finished third once from four starts over this course and distance. RASCOVA (6) did well to finish second of 11 at this track last start over 1600m when sent out at long odds. She has won once and finished second once from as many starts over this distance. She is racing well this prep and she can go one place better. OCTOBER MORN (2) ran on well to win by a neck last time out over 1200m at this track. The manner in which she finished off her last race would suggest that she shouldn't have any problems racing over an extra 200m in distance today. She jumps from a good draw of two and with luck in the running can add to her good form this prep. MRS GERIATRIX (11) has been in the market at her last couple of starts but hasn't fired, last start finishing seventh of 16 at this track. She was only two lengths back from the winner last start and is worth another chance in this line-up. Can atone. DOUBLE GRAND SLAM (8) placed third of 11 here start over 1600m in what was a tougher line-up than what she meets today. Well worth a second look.

Encouraging first-up run when runner-up at this track over 1200m on January 27. Fitter for that run and will be tough to beat.

Started at lengthy odds on debut last start and didn't do a great deal when 9 lengths back in 12th over 1200m at this track. Better for that experience but may need more time.

Resumes today after filling a minor placing two times from eight starts in his maiden campaign. At the latest outing he finished fourth over 1600m at Scottsville on December 3. Shows promise but he looks tested in this line-up.

Yet to break through in three runs but has been thereabouts. Last start disappointing when ninth over 1200m at this track but did perform much better the start prior. Improver who can measure up this time.
