MOUNT AUGUSTUS (9) has shown good improvement in each of his outings to date. He raced on the speed over 1000m last time before getting outrun late. He is a progressive type and should have no issues with the rise to 1200m. JP van der Merwe steps back into the saddle and the pair may find themselves in the winner's enclosure. TIME HONORED (5) showed improvement when fourth over this course and distance last time. It must be noted that the horse that finished second that day has come out and won since. He will strip much fitter and has the each-way claims. IKO IKO (4) was disappointing over 1000m last time. He finished second in his previous two efforts. He steps up to 1200m and if seeing out the extra distance on offer, he can finish in the placings. WORLD WARRIOR (8) is a two-start maiden who resumed from a spell last time and finished sixth at this track over 1200m. Will derive great benefit from that outing and deserves consideration.

She will strip much fitter and should give the males a decent run for their money. HIAWATHA GOLDBERG (5) ran a fair race when fourth over this course and distance last week Tuesday. GOLD GIBOSKI (1) has produced three good runs to date. Despite choking up in his last start run, he stayed on well to finish third. He should love the rise to 1600m and he jumps from pole position. Gavin Lerena retains the ride, and he should take a power of beating. SMART HORSE (3) showed some signs of needing his last start over this course and distance. He would have come on from the run and should strip much fitter. ROYAL DAWN (10) showed massive improvement when second over this course and distance last time. He challenged strongly all the way to the line but found one too good on the day. He is back in Maiden Company and if confirming his recent improvement, he should be involved in the finish. THE US OF A (5) was an easy winner of his last start over this course and distance. He showed a good turn of foot and won with plenty in hand. He takes a rise in class but is in a good space and can follow up with another victory. FLYING FINLEY (3) is in good form. Ran fourth of 10 last start over 1000m at this track when well supported. Has sound form here at this trip with two wins and two placings from seven runs. Best figures read very well. TANNERON (7) has some good recent form lines to her name. She has won once, finished second twice and third once from six starts over this course and distance. She is consistent and should give the males a decent run for their money. PEACE OF MIND (2) was touched off in her last start over this course and distance. She takes on stronger rivals but is likely to race on the speed and may be hard to catch.

LOVERS LANE (5) challenged strongly over this course and distance but was outrun late. He is having his peak run today and will be cherry-ripe. Gareth Wright is booked to ride and he may be able to coax that little bit extra out of him when it matters most. ROYAL LYTHAM (9) has shown signs of needing her last two starts. She has won twice, finished second three times and third once from 14 starts over this course and distance. Gavin Lerena is booked to ride and she would not be a shock winner. GRAVITY (6) produced a reasonable effort when fourth of nine last start over 1200m at this track. That followed a win at this track the start prior. Suitably placed to return to form. CHAMPAGNE MAC (8) placed fifth at this track over 1200m last start after being prominent at the corner. Placed to advantage and can return to form.

HONOR OF KINGS (7) is better than his last start over 1400m at Scottsville would suggest. It must be noted that the horse that finished second that day has come out and won since. He won his only attempt over this course and distance. Richard Fourie steps back into the saddle and he should be hard to peg back. CARRIACOU (3) returns from a spell which may have done him the world of good. He has won once and finished second once from three starts over this course and distance. Gavin Lerena is booked to ride and if fit, he should pose a threat. WINTER PEARL (8) showed good improvement in his last start over this course and distance under 4kgs claiming apprentice Sifisokuhle Bungane. If confirming that effort, he should have a say in the outcome of this contest. LATE DECEMBER (2) turned in a solid run to score by one length at today's course and distance when resuming from a spell last start. No reason why he can't go back-to-back.

RHYDIAN (9) stayed on nicely when third over this course and distance last time. That was his first outing with the tongue-tie fitted. Luyolo Mxothwa retains the ride, and he will be storming home late. FIRINGONALLENGINES (2) fought hard when winning his last start over this course and distance. He takes a rise in class, but is in a good space and should run another honest race. COUNTER ATTACK (7) did little and finished sixth of 10 over 1000m at this track last start, a less impressive effort than his fifth at this track the run before. Has his share of ability and can return to form. ALL ABOUT AL (8) produced a better run last start when finishing fifth of 10 over 1000m at this track. Better than recent efforts would suggest and should be included in exotic bets.
