NOTE: Computaform Ratings are computer generated according to a formula that allocates points to each runner in numerous form categories, which are weighted according to their relative importance. Collateral form is not taken into account. Horses that are not distance suited can sometimes achieve high ratings. Check top-rated runners' Win-Place ranges to gauge their distance suitability. This also applies to Computaform Speed Ratings.

PREVIEW: Nice race to start the day - unraced sorts with loads of speed in the blood - should be exciting. Best of the raced runners looks to be MIA LOA who did well to take fourth after misbehaving at the start. She should come on nicely. SPRING FEVER and BEGONIA have shown some ability - the former has a decent draw and can earn prize money. Debutantes RED ROSES TOO and TABATHA CAT are bred to fly and could fight this out if the money comes. Follow the betting moves closely.

PREVIEW: MADIBA'S CUPPA showed true form when tried at this racecourse, coming away a gallant second. He gave the winner a bit of weight and on running style should enjoy the longer distance. PARK AND FLY finished many lengths behind him but has been on a learning curve and could also prefer the distance. NATIONAL FLAG is best forgiven his runs at Greyville. He is better at this track and having proven stamina could be a threat. DENVER is tried in a marathon after making little progress on the poly. It is only his third start and he could enjoy this.

PREVIEW: The raced runners have not shown too much and the action should lie with the unraced individuals. Trainer talk is positive about RULERSHIP and BIG SLICK who are both related to fast families and the betting should be the pointer to the confidence the connections come race time. TESTIFY was switching from Greyville when finishing ahead of GALAXION and needs to be taken seriously. However, the latter jumped slow and coughed on the day so could be the one who makes big improvement. SEISMIC EVENT should be right there.

PREVIEW: STAR AGLOW has shown fair form on the Highveld and is now making her local debut for a new yard. She has met some high class individuals and is the one to watch. VISION OF WILL is holding form well and perhaps the change of venue could spark more improvement. She could much prefer the straight track. LADIES DAY, now trying cheekpieces, had her measure recently but the former had excuses and it could get closer. NAMAQUA DOVE has run well at Scottsville but has been a bit costly to follow and will need things to go her way.

PREVIEW: THUNDER MASALA showed a lot more when having his third try and probably just needed to tighten up. He is dropping in distance but is bred to enjoy it and has blinkers fitted. MCCARTNEY was disappointing at this venue last time but deserves another chance. The longer trip and good ground should suit better. GREY VIEW looked the form choice last time but again finished third for the fourth time in a row. However, he did have excuses and will be at a peak so must be taken seriously. HIGH LEGISLATION and ALPENHORN can get into the fray. Debutant RAVENS SWORD has an interesting pedigree.

PREVIEW: Tough race - go wide in the exotics. But PACIFIC WINTER impressed last time suggesting he has been given a new lease on life. He could follow up even if switching from the poly to Scottsville. FERRANDO also won with authority and has scope for big improvement. But he is racing after a rest and may just need it. BLAZE OF SILK is back at his happy hunting ground and has been given stall No 1. He could give them all a galloping lesson on his day. FAUSTINO is holding form and along with WE ALL CHOMIES can fight it out. IMPARTIAL is one of many who can upset at best.

PREVIEW: Good field and nice finish expected. KEEP ON DANCING is back at her best track. She won her last two over quite different distances and the specialist could be hard to peg back after running at Greyville. GLORY DAYS was only a neck behind KEEP ON DANCING the last time they met and should also much prefer Scottsville with its longer straight. MOUNT LAUREL was unlucky to lose her last race as she hung badly and lost the feature in a close finish. That form could be strong in this and an overdue win will be well deserved. TIME TO ROLL is on a roll but needs to bring the form to the turf.

PREVIEW: SKY CAFE's one run at this course makes her form look a bit bad. But if she can be forgiven for that she should be one of the leading contenders. She has run two good races over this distance and can open her account. GLOBAL SECRET has been lacking a finish after showing good pace over a bit more. She could enjoy the sprint and a 4kg claim could make it hard for them to catch her. QUEEN MERCURY ran her best race at Scottsville a few runs back and may upset the favourites. GREEN SLEEVES, REGINAS ANGEL and VENTUROUS have shown enough to get into the money. First-timers in the hunt as well.
